

Marina Torelli

Computer Science Student

/ HI THERE!

I'll be graduating this semester from my Bachelor's degree in Computer Science. I love learning new things, getting stuff done and making an impact with my work!

/ SKILLS

- > React, Node.js
- > Javascript, Typescript
- > SQL & MongoDB
- > Python & Pandas
- > Data Analysis
- > Statistics
- > Agile Methodologies
- > GIT/Version control
- > Problem solver
- > Organised
- > Creative
- > Can-do attitude
- > Attention to detail
- > Great communicator
- > Team player
- > Fast learner

/ VOLUNTEERING

>> Student Volunteer | T3chFest

February 2019 - Present

- > Helping with the organisation of a tech conference of 2000+ attendees
- > Control of logistics, sponsors and participants

>> Local Buddy | Carlos III International School

July 2019 - Present

- > Helping with the integration of international students both at the university and in the city
- > Responsible for 10 students each semester
- > Participation in welcome events on campus

/ LANGUAGES

- > English (C2)
- > Spanish (Native)
- > Italian (B2)
- > French (B1)

/ EDUCATION

>> University Carlos III of Madrid

2017 - Present

- > Bachelor in Computer Science and Engineering, minor in Computation (taught in English)
- > Relevant courses: User Interfaces, Statistics, Data Analysis, Files and Data Bases, Artificial Intelligence, Heuristics & Optimization, Algorithms and Data Structures, Neural Networks
- > Course Delegate for Student Union
- > International School Buddy for incoming students

>> Politecnico di Torino (Erasmus+)

Spring 2021

- > Taking courses from the Master's Degree in Computer Science
- > Relevant courses: Machine Learning, Design of Interactive Systems, Computer Graphics, Advanced Theory of Computation

>> IES La Estrella

1st of class of 2017 | Graduated with Honours

- > Science and Technology Baccalaureate
- > English language exchange in Nottingham, UK
- > French language exchange in Toulouse, France

/ WORK EXPERIENCE

>> Full Stack Software Developer Intern @ DCSL GuideSmiths

November 2021 - Present

- > Development of web applications using React
- > Working on DevOps projects based on the cloud
- > Taking part in the daily workflow of an agile environment

>> Private Tutor

January 2018 - June 2021

- > Private one-on-one tutor for highschool students
- > Teaching science & tech subjects
- > Teaching English as a foreign language

/ EXTRACURRICULARS

>> TechShessions Mentee

January 2019 - June 2019

- > Improving my public speaking and presentation skills
- > Working with a mentor experienced in giving technical talks for the duration of the training

>> womENcourage | Association for Computing Machinery

September 2019 | Rome, Italy

- > Recipient of a scholarship to attend the annual conference
- > Selection criteria based on a strong academic record and interest shown in the main topics of the conference
